

# **DRIVEX STUDIOS SL – ANTI-TRAFFICKING, EXPLOITATION & ABUSE PREVENTION POLICY**

Last updated: May 2026

## **1. Purpose of this Policy**

DRIVEX STUDIOS SL (“DriveX Studios”, “DriveX”, “we”, “our” or “us”) operates a professional audiovisual platform intended exclusively for lawful adult-oriented audiovisual content involving verified adult participants.

This Anti-Trafficking, Exploitation & Abuse Prevention Policy establishes DriveX Studios’ framework for the prevention, detection, escalation and reporting of:

- human trafficking;
- sex trafficking;
- exploitation;
- coercion;
- forced sexual activity;
- abuse;
- non-consensual content;
- exploitation of vulnerable persons;
- unlawful recruitment;
- illegal commercial sexual exploitation;
- Child Sexual Abuse Material (“CSAM”);
- abuse-related conduct connected to the Platform.

This policy is intended to support compliance with:

- applicable Spanish criminal law;
- European Union legal requirements;
- child-protection laws;
- anti-trafficking obligations;
- Digital Services Act obligations;
- payment processor requirements;
- Visa VIRP standards;
- Mastercard BRAM standards;
- platform safety and anti-exploitation requirements.

---

## **2. Zero-Tolerance Commitment**

DriveX Studios maintains a strict zero-tolerance policy regarding:

- trafficking;
- coercion;

- sexual exploitation;
- abuse;
- forced participation;
- unlawful prostitution-related activity;
- exploitation of vulnerable individuals;
- intimidation;
- blackmail;
- threats;
- non-consensual content;
- minors;
- CSAM.

Any suspected violation may result in:

- immediate content removal;
- account suspension;
- permanent termination;
- payment restrictions;
- preservation of evidence;
- notification to authorities;
- escalation to payment processors or acquiring partners.

---

## 3. Professional Platform Model

DriveX Studios operates exclusively as a professional audiovisual platform.

DriveX Studios does not permit:

- anonymous uploads;
- unverified amateur content;
- unrestricted user-generated adult content;
- publication without prior compliance review.

Only verified professional participants, producers, studios, distributors, agencies and authorized commercial partners may publish or distribute content through the Platform.

---

## 4. Mandatory Verification Measures

DriveX Studios and/or its professional content suppliers may implement verification procedures intended to confirm:

- performer identity;
- performer age;
- legal capacity to consent;
- authenticity of consent;
- lawful participation;
- absence of apparent coercion or exploitation;
- lawful rights to distribute content.

Verification procedures may include:

- government-issued ID review;
- age-verification systems;
- identity-verification systems;
- onboarding reviews;
- fraud screening;
- contractual documentation review;
- compliance interviews or additional checks where appropriate.

DriveX Studios reserves the right to deny onboarding or publication where concerns cannot be satisfactorily resolved.

---

## **5. Prohibited Exploitative Conduct**

The following conduct is strictly prohibited:

- trafficking-related conduct;
- coercion;
- forced participation;
- sexual exploitation;
- abuse of vulnerability;
- threats or intimidation;
- blackmail;
- debt bondage;
- exploitation through addiction or dependency;
- exploitation of intoxicated or unconscious persons;
- unlawful confinement;
- forced commercial sexual activity;
- non-consensual sexual conduct;
- unlawful escort or prostitution services;
- grooming;
- recruitment of minors;
- manipulation designed to bypass consent.

DriveX Studios reserves the right to prohibit additional conduct where reasonably necessary to:

- protect performers;
  - protect users;
  - comply with laws;
  - comply with payment processor standards;
  - protect platform integrity.
- 

## **6. Indicators of Potential Exploitation**

DriveX Studios may consider the following as potential indicators of trafficking, coercion or exploitation:

- inconsistent identity information;
- suspicious onboarding behavior;

- inability to verify performer consent;
- evidence of intimidation or third-party control;
- suspicious financial arrangements;
- inconsistent age-verification documentation;
- signs of distress, coercion or fear;
- pressure from third parties;
- repeated compliance irregularities;
- suspicious geographic or behavioral patterns;
- indications of organized exploitation.

The existence of an indicator does not automatically establish unlawful conduct but may trigger enhanced review or escalation.

---

## **7. Moderation and Compliance Monitoring**

DriveX Studios may implement:

- automated moderation systems;
- fraud-detection tools;
- onboarding reviews;
- manual compliance reviews;
- risk-based escalation procedures;
- periodic audits;
- payment-risk monitoring.

Content and accounts may be reviewed before or after publication.

DriveX Studios reserves the right to:

- suspend publication;
  - freeze monetization;
  - request additional documentation;
  - conduct enhanced due diligence;
  - remove content pending investigation.
- 

## **8. Reporting and Escalation Procedures**

Users, performers, rights holders, employees, partners and third parties may report concerns relating to:

- trafficking;
- coercion;
- abuse;
- exploitation;
- minors;
- non-consensual content;
- illegal activity.

Reports may be submitted through:

compliance@drivexstudios.com

legal@drivexstudios.com

support@drivexstudios.com

Emergency escalations involving minors, threats to safety or suspected trafficking may receive immediate review.

---

## 9. Emergency Actions

Where reasonably necessary, DriveX Studios may:

- immediately disable access to content;
- suspend accounts;
- freeze publication rights;
- preserve logs and records;
- restrict payments or payouts;
- escalate matters internally;
- cooperate with authorities;
- notify payment partners.

Emergency action may occur before completion of a full investigation.

---

## 10. Cooperation with Authorities and Payment Partners

DriveX Studios may cooperate with:

- law enforcement authorities;
- anti-trafficking authorities;
- child-protection authorities;
- regulators;
- payment processors;
- acquiring banks;
- card networks;
- anti-fraud providers.

DriveX Studios may preserve and disclose records where reasonably necessary to:

- comply with legal obligations;
  - investigate exploitation;
  - prevent trafficking;
  - protect minors;
  - comply with payment-compliance requirements;
  - support lawful investigations.
-

# 11. Recordkeeping and Evidence Preservation

DriveX Studios may preserve:

- onboarding records;
- identity-verification records;
- age-verification records;
- moderation logs;
- complaint records;
- payment-risk records;
- communications;
- audit trails;
- investigation records.

Records may be retained where reasonably necessary for:

- legal compliance;
  - anti-fraud obligations;
  - payment-compliance obligations;
  - legal defense;
  - investigations;
  - platform safety.
- 

# 12. Professional Content Supplier Responsibilities

Professional content suppliers remain independently responsible for:

- lawful performer recruitment;
- lawful production practices;
- age verification;
- identity verification;
- collection of valid consent;
- compliance with anti-trafficking obligations;
- lawful labor and contractual practices.

DriveX Studios may require supporting documentation at any time.

Failure to cooperate may result in:

- suspension;
  - termination;
  - removal of content;
  - reporting to payment partners.
- 

# 13. Training and Internal Compliance Measures

DriveX Studios may implement internal compliance measures intended to support:

- trafficking-risk detection;
- exploitation prevention;
- moderation consistency;
- escalation management;
- fraud prevention;
- lawful reporting procedures.

Internal procedures may be updated according to:

- evolving laws;
  - payment processor requirements;
  - risk-management standards;
  - platform safety considerations.
- 

## **14. Limitation of Liability**

DriveX Studios implements reasonable compliance and moderation measures but cannot guarantee:

- immediate detection of all unlawful conduct;
- uninterrupted monitoring systems;
- complete elimination of fraud attempts;
- error-free moderation decisions.

Professional content suppliers remain independently responsible for the legality of their conduct and content.

---

## **15. Updates to this Policy**

DriveX Studios reserves the right to update or modify this policy at any time.

Updated versions will be published on the Platform.

Continued use of the Platform constitutes acceptance of the revised version.
